Love is In the Air!

The Daffodils have been busy making valentines for their friends, and special elaborate Valentine's Day Art!

We are exploring the topic of love and friendship with the children. We think they are becoming quite dear friends and this is a topic they can really relate to!

Did Daffodil House Turn Into a Beauty Shop?

The children have been engaged in coactive play through the child initiated game "beauty shop" this month at Daffodil House! Play hair cutting has taken over and on any given morning several children are getting new and improved coifs! Helen and Amber have both gotten several haircuts this week and are really looking sharp!

Circle Time!

Valentines for Friends!

We love when the children make valentines at home for each other. The strong, close friendships the children here share are special we hope these friendships continue to blossom over the next few years. However, if your child is bringing valentines for friends, please make sure to bring valentines for everyone at school! If they only want to make valentines for certain children, please mail them and do not bring them to school, not even to put into cubbies.

Carrot!

The children met our new rabbit, Carrot, and they just can't get enough of him! He was surrounded by ten children petting him and squealing and he couldn't have been happier! Carrot will be making weekly visits to Daffodil House to visit with the children. Carrot is the

sweetest and mellowest dude and we couldn't love him more.

Welcome!

We would like to welcome Roma and her family: her dad Scott, her mom Nancy, and her big sister Liv, to Daffodil House. We have been waiting for Roma to join our school since she was a new born. Her older sister, Liv is an Iris Houser and is SO excited that Romie is finally going to school at Daffodil House. We are so excited about it too!

Winter Weather

Winter is often unpredictable in Portland and we go outside rain or shine, so please make sure your child has adequate clothing for the weather as well as changes of clothing in his or her cubby!
