Daffodil House **March 2009**

Spring Is Almost Here!

Spring is coming, spring is coming, flowers are waking too... We are beginning to talk about our upcoming springtime planting curriculum block! We look forward to beginning our indoor seed starts when we come back from spring break.

What Have We Been Up To?

We have been busy little daffodils! The barber shop game ensues, newly improved with real combs and scissors (kidding on the scissors!). We love seeing the children connecting in coactive play at school. In this uncharacteristically sunny March weather, we have been spending more time outside. The children are loving picking the flowers off our budding bush, looking for raccoons, and enjoying outdoor gross motor activities! We have a new playhouse that will be going into our backyard, so look for that soon!

Good-Bye and Hello!

As many of you know, our dear friend Alex and her parents Stacy and Adam are moving to Seattle at the end of the month.

We will miss them dearly and wish them the best of luck in their new city!

We would also like to welcome our newest friend Eavan who will be joining us starting in April. Eavan is a good friend of Elsa's and we are so happy she is joining us! Please join us in welcoming her along with her folks Deirdre and JD!

Iris House Intern!

We have a wonderful intern at Iris House named Grace visiting us from Germany. She will be with us for the two weeks before spring break and the two weeks after. She is a Waldorf High School student and is very excited to be here! So if your child goes to Iris house for naptime, please introduce yourself and make her feel welcome!

Another Pajama Day?!

Hunter requested another PJ Day. So mark your calendars and get ready for pajamas, pizza parties and cozy story time fun on Thursday 3/19 and Friday 3/20!

Pictures!

We have put up a "gallery" section on our website. Please check out the pictures of your

beautiful children! More will be posted every few weeks.

Health and Illness Policy

We have had complaints from parents about seeing children at school who have symptoms of illness (specifically runny green snot) at school. We really want to keep our teachers, parents, and children healthy and will be stepping up our efforts to enforce our health and illness policy. We want to remind folks that children who are sick and seem extra sensitive at home are generally downright miserable at school. So, out of respect for the little sweethearts (and the big ones), please review (on the website) and honor our illness policy!

Thank You!

Thank you to all of the parent's who have been honoring our sick policy! We really appreciate your help in keeping all of us healthy!

Calendar

March 19 – Pajama Day!

March 20 – Pajama Day!

March 23-27- No school-
Spring Break

April 10- No School- Teacher
Planning Day
